

# Press release

For immediate release on 1<sup>st</sup> July 2014

## **Expro International (“Expro”)**

Candover\* notes that Expro has made an initial filing with the Securities Exchange Commission (“SEC”) which is the first step in a potential IPO in the United States. While the registration statement is under review, in line with SEC requirements, no public comment can be made on the registration process.

Candover's interest in Expro as at 31 December 2013 accounted for 46% of Candover's net asset value (715 pence per share).

Ends.
